

Get the answers you need with expert medical advice you can trust

When you've received a diagnosis, and have more questions than answers, turn to Best Doctors. Our world-renowned specialists are here to give you the answers and assurance you deserve. From medical questions and concerns to a Best Doctors Expert Medical Opinion, **we help you make informed medical decisions with confidence.**

Your available services

Expert Medical Opinion

Have your case reviewed by a world-renowned expert physician and get a confidential Expert Report, including recommendations for the best course of action.

Critical Care Support

Receive guidance from a Best Doctors expert during medical events that require emergency treatment, such as accidents, intensive care, or extended hospital stays.

Ask the Expert

Get advice about a personal health challenge or medical condition from an expert physician.

Find A Best Doctor

Find a specialist among our 50,000-plus medical experts voted best-in-class by other physicians.

Treatment Decision Support

Designed to help you understand your available treatment options so you can be confident you are making the right choice.

Medical Records eSummary

We collect and organize your medical records for you and provide them on an easy-to-access USB drive with a personal Health Alert Summary that acts as a total snapshot of your medical wellness.

Oncology Insight

The Best Doctors partnership with IBM Watson Health™ provides an artificial intelligence (AI) tool that can be used by the Best Doctors expert oncologists. This AI tool provides insight and comprehensive details on different treatment options and can match members to available clinical trials based on their unique case details.

Behavioral Health Navigator

This is an integrated care service that provides specialized "navigation," support, and coordination, combined with virtual access to expert providers for members facing mental health conditions.

Best Doctors is available at no cost to you and your eligible dependents.

"I got the magic call from Best Doctors. There was no cancer. It's everything that was done with Best Doctors, the entire team—incredible. **Best Doctors saved my life.**"
