Re: Alaska Electrical Health and Welfare Fund  
Preferred Providers

***Please be sure that you and your family read this notice carefully.  
It should be kept with your benefit booklet or insurance records for future reference.***

## Preferred Providers

Effective June 1, 2009, Beech Street/Viant will replace MultiPlan as the Fund's Preferred Provider (PPO).

- Alaska Regional Hospital will continue to be the Fund's PPO Hospital in Anchorage; Chugach Physical Therapy will also continue as a preferred provider.
- Beech Street/Viant replaces the Fund's current PPO arrangement with MultiPlan. The Beech Street/Viant PPO provides not only improved access to PPO providers outside of Alaska, but access to a large number of PPO providers in Alaska as well. As described on page M-15 of your Health & Welfare booklet, if you are outside of Alaska and do not use a preferred provider, the Fund's reimbursement may be reduced. *Please note that if you use a non PPO provider in Alaska, the Funds reimbursement will not be reduced (except as it applies to the Anchorage PPO Hospital described on page M-14).*

To find out what Hospitals and Physicians are included in the Beech Street/Viant network please visit [www.beechstreet.com](http://www.beechstreet.com).

The enclosed two cards reflect this change. Please write your Employee ID Number on both cards and properly dispose of any previous cards you may have.
