## Alaska Electrical Trust Funds Internet Privacy Statement

At this site, we intend to give you as much control as possible over your personal information. In general, you can visit this site without telling us who you are or revealing any information about yourself. There are times, however, when we may need information from you, such as your name and address. It is our intent to let you know before we collect personal information from you on the Internet.

If you choose to give us personal information via the Internet that we may need – to correspond with you, or provide you with certain online services, for example – it is our intent to let you know how we will use such information. If you tell us that you do not wish to have this information used as a basis for further contact with you, we will respect your wishes.

This site contains links to other sites on the Internet. We are not responsible for the privacy practices or content of such websites.

The Alaska Electrical Trust Funds (AETF) is a family of four Taft-Hartley multi-employer plans. AETF provides health & welfare, pension, retirement savings/401(k) and legal benefits to members of the International Brotherhood of Electrical Workers (IBEW) 1547 who are employed or retired from over 150 participating employers in the electrical, telecommunications and related industries, including employers affiliated with the National Electrical Contractors Association (NECA) Alaska Chapter.
